Who can take part in the Network of Towns?

Cities, municipalities, local authorities, any organization in the field of local self-government which work to increase the prosperity of their territory and their citizens.

Any local authority which believes that the power is in the union.

We will become stronger in future if we explore the history and culture of each other .

Co-funded by the
Europe for Citizens Programme
of the European Union

Vision of our Network of towns “Open towns”:

Work together to foster European citizenship and to improve conditions for civic and democratic participation at Union level by developing citizens' understanding of the Union policy making-process, its history and diversity and promoting opportunities for social and intercultural engagement

Co-funded by the
Europe for Citizens Programme
of the European Union
