Nughedu as an Atelier for Artists

In 2016 for the first time and in 2018 for the second, Nughedu became an Atelier for international artists for 2 months each time for the project PAS_ Project Atelier Sardegna.

PAS is a residency program dedicated to research in contemporary visual arts, curated and organized by Associazione Progetto Contemporaneo under the patronage of MIBACT - Ministry of Cultural Heritage and Activities and the one of the Tourism Department of the Sardinia Region, of the Municipality of Nughedu Santa Vittoria and of the GAI - Young Italian Artists.

A wide range of events and collateral activities are available alongside the residences: exhibitions, workshops, talks, study-visits, publications, conferences, educational activities.

Nughedu as an Atelier for Artists

Nughedu as an Atelier for Artists – Some artwork

A resource called nature

Nughedu is the applicant of a project with partners from Portugal, Slovenia and Estonia applied under the Erasmus Plus Program.

A resource called nature

The project has been selected among the worthy of funding. Its target are youngsters between 17 and 29 years of age.

It will last 6 days and will take place in Nughedu Santa Vittoria.

6 participants for every partner for a total of 24 youngsters.

A resource called nature

Main objectives:

- to make young people from different countries and the population of Nughedu aware of respect for the environment;
- To make young people aware of the possibility of doing business thanks to nature in a sustainable manner.

A resource called nature

Main Activities:

- Practical theoretical seminars on the defense of nature;
- Questionnaires provided by young people to understand the spread of eco-sustainable practices in Nughedu;
- Workshops on Sustainable business creation in rural areas.
