Euroscepticism – our past or our future?

Q5 How do you image the future of EU?

Quote: “A day will come when all nations on this continent, without losing their various qualities and their wonderful individuality, will merge into a higher unity and form the European brotherhood. A day will come when there will be no battlefields, but markets opening to commerce and minds opening to ideas. The day will come when, instead of using bullets and missiles, we will vote.”
